- Leadership
- Team Work

## LANGUAGES

- English
- Hindi
- Gujarati

## INTERESTS

- Coding
- Editing
- Cricket
- Gaming

## ABOUT ME

*Enthusiastic and detail-oriented recent graduate with a passion for data science and analytics, equipped with a strong foundation in Python, Power BI, scikit-learn, seaborn, and Excel. Eager to leverage my analytical skills and technical knowledge to contribute to data-driven decision-making processes. Adept at translating complex data into actionable insights and eager to tackle real-world challenges in a collaborative team environment. Committed to continuous learning and staying up-to-date with industry trends in data science. Ready to make an immediate impact as a data science professional.*
